

Rampike Index 8.1

*Dedicated to the memory of those who
went before and taught us to see in
different ways; Eli Mandel, Earle
Birney, Aleksandrs Pelecis and the
others, remembered, from time to time.

Finally, here is the special issue on Creative Misunderstanding *Rampike* will continue to appear sporadically in future. However, this marks the end of an era of government assisted publishing. We have cut ourselves loose and now answer only to ourselves, our sense of adventure and to you, our readers. And so it is possible/possible, in the spirit of Creative Misunderstanding to begin this issue by concluding that our terminus marks a new beginning. Heartfelt thanks to all those who helped this magazine over its fifteen year course. Thanks for your loyalty and patience over the years!
